

WOMEN EDUCATION LEADERS IN VIRGINIA

ELEVENTH ANNUAL CONFERENCE

WELV's eleventh annual conference is designed for current and aspiring educational leaders. The sessions will provide strong professional development opportunities as well as a forum for discussion of issues relevant to women leaders in a variety of educational settings. This year's conference has been planned in partnership with Virginia ASCD and UVA's Curry School of Education. All three organizations have a commitment to developing and supporting educational leadership in the Commonwealth.

To better meet your needs, we encourage you to email prior to the conference questions or issues you would like addressed during the keynotes and concurrent sessions. Send your email to Judy Lam at welv@verizon.net.

We look forward to seeing you in Charlottesville on March 11-12!
